## MARCH 1986

### Of Graduate Concern

Editorial: Joe Younder ('56)  
Robbie Grossi ('72)

#### GOOD BUSINESS SENSE

In any organization, periodic assessment is one of the major procedures in measuring growth potential, reviewing strategies and planning for future development. Its end result should be for the betterment of the individual and the organization. It is with this in mind that Rob and I have collaborated on this editorial. We feel that in our involvement with alumni affairs, there are some concerns that need to be examined. We trust that we will be positive in our approach. What follows then is 'of graduate concern'.

#### EXPLODING THE MYTHS

##### The Turkey Roll

Contrary to popular belief, the annual Turkey Roll Reunion (first Friday of December) is not intended to be a money maker. It's initial purpose in the 50's was camaraderie and renewing of friendships. To this end, a stag evening was adopted. There is no charge to get in, although many pay their membership of \$15.00 at the door. The cost of the bar and chips is minimal and meant only to cover operating expenses. The \$425.00 made this year goes to offset the ever rising cost of the **Blue Banner**. Many volunteers work the evening without charge and have been doing so for years. We owe them thanks.

The **Blue Banner** is published twice a year and it's our only avenue of communication with you. Over the years we have added a GRAD PROFILE, a SPORT HIGHLIGHT, and a NEWS FROM YOU column. The two issues cost \$5,200 (includes postage). Some 400 **Banners** are printed of which 900 are given free to the students, the future grads. Of the 3,100 grads on our up-dated mailing list, 170 have paid their \$15.00 membership to finance its publication. Hence the need and frequent reminder for membership renewal.

Hey! How do I get my name in the **Banner**?

We only know what you tell us. When an address change comes in or when someone writes in the NEWS FROM YOU or when a membership is paid, we take the information provided and put it in the WHERE ARE THFY NOW column. On the other hand, there are grads who, when they meet an alumnus, will forward his name etc. to us. This is also greatly appreciated.

**I Didn't Graduate From St. Mike's. Am I Still An Old Boy?**

Good question--you sure are. We feel you have had the St. Michael's experience. You have shown an interest in the school, and for some reason, whether valid or not, you left St.

Mike's. Don't feel left out. It's amazing; some of our greatest supporters are not graduates. Wally Hirst was one such person you will read about later.

#### The Executive Is A Clique. It's Always The Same Guys....

Well, if you think so, join us on the second Tuesday of every month and put in 5-6 hours a week, and become involved in 7-8 committees busy 12 months of the year. Sure, there are grads who have played an active role for 5-20 years. There are still those we can call on at any given moment for help. However, there are many out there who should be helping out. A clique--far from it. We must be doing something right though. Recently three new schools in the Toronto area sent representatives to our Association to learn how to initiate an alumni for their schools.

#### And What About The Future.

We think we have come a long way: a stream-lined **Banner**, innovations in our TURKEY ROLL, establishing of TEAM CAPTAINS, AN OLD BOY TIE, a more productive SCHOLARSHIP FUND DRIVE and just recently we have introduced an ALUMNI RETREAT. We feel we are on the right track. But we have a long way to go. With the announcement that St. Michael's is going independant, FUND RAISING. on a larger scale will have to take place if we are to retain our philosophy and teaching tradition. We hope that the day will come when all graduates will be involved in the formation and continuance of that teaching tradition. It's 'of graduate concern'.

## S.M.C. Band

### Serenades Rome

#### S.M.C. BAND SERENADES ROME

The Music Departments of Chaminade College School and Saint Michael's College School have joined forces and formed the YOUTH IN CONCERT SYMPHONIC BAND. This group of fifty-four students will play a series of concerts in Italy during the March break. Under the direction of LIVIO LEONARDELLI ('56) and JOHN GUERRIERE ('48) of St. Michael's, the band will perform in Rome, Florence, L'Aquila, Pisa, Pordenone, Trento, Tesero, Stauda, Predazzo and Spormaggiore. Buona fortuna Livio e Giovanni.

# The Word Is Priorities

## Fr. Bill O'Brien C.S.B. [Old Boy Chaplain]

Is there anything **more** important to St. Michael's than its programs in academics, sports, drama? Is there anything more important than the material success sought in the Turkey Roll, the Scholarship Draw, the Golf Tournament?

Put it that way, and the answer has to be, yes. Yes, of course: the spiritual growth of--and in--our students, our alumni, and in our families. To meet the very spiritual needs of our family, your Executive has planned for SATURDAY, May 10, an Old Boys' Association RETREAT. Call it a **mini-retreat** and here's the format:

9:00 a.m. Mass in school chapel

9:50 a.m. Breakfast in cafeteria, an occasion for alumni socializing and a few announcements.

10:30 a.m. A conference on a spiritual theme tied to the spiritual vocation of St. Michael's and the spiritual needs of the alumni.

A light snack will be available after the conference at noon-time. Mindful of the many obligations alumni have on Saturday, we plan to have you out by noon

Not excluding our alumni-clergy, we are happy to announce that the celebrant of our Retreat Mass will be one of our distinguished Old Boys, his Excellency Bishop Robert Clune, Auxiliary Bishop of Toronto.

Since much of the necessary planning involves knowing as exactly as possible the number of alumni who plan to be with us, we ask that you let us know no later than Monday, May 5th. Contact me at St. Michael's (653-3180).

# The School Tie - A Great Success

## by Fr. Bill O'Brien C.S.B.

The **Banner** sent to you last Fall broke the news of something new launched by your Executive: the official Old Boys' Tie. No small investment, of course, hence the question we were asking at the Turkey Roll: Will it go? Will the Old Boys "buy it"? It went and with a vengeance. It sold. In fact, it **SOLD OUT**. We had to order a new gross of ribbed ties three days after the December Turkey Roll.

As things go now, your Old Boys' Tie is seen and admired not only throughout Metro Toronto and in communities in Southern Ontario but also, thanks to our mail-order system, in Quebec City, Montreal and Edmonton. So, we're feeling not only delighted about the whole adventure but, pardon the humility, rather proud.

Some of you don't have your tie yet? Regrettable...but not to worry. They'll be available and on display at the coming Scholarship Draw, April 18, at the Old Boys' Retreat, May 10th and at the Alumni Golf Tournament, June 18th.

We have an ample supply of your Tie now on hand. Total cost including shipping and mailing is \$16.50. If you order two, it's \$31.50, and if you wish to pick it up at the school, the cost is \$15.00.

And a final note. In the course of Executive discussion about our Tie, a certain imaginative mind (nameless at his own request) suggested an official Old Boys' Ascot, (in French, a 'foulard') same cloth as the Tie, same "M". We had a few made up...ask to see them at the Scholarship Draw.

## Grad Profile - Dennis Mills ('64)

In 1980 Dennis went to Ottawa. There he worked with Jim Fleming who was the Minister of Multiculturalism, and Mark Lalonde who was then the Minister of Energy. For the following three years he worked in the Prime Minister's Office. Dennis remarked that some of the highlights of that period were the Referendum, the Constitution, and the Six and Five program. In the same breath he revealed his greatest frustration while working for Trudeau. The Prime Minister denied his special request that Hugh McDougall go to the Senate. Hugh, Dennis' history teacher, had always told the boys that if one of them ever got a position in Ottawa, to remember that the job of a Senator has to be the greatest job in the world.

After graduation from St. Michael's in 1964, Dennis attended the University of St. Thomas in Houston, Texas. He left Houston to join Chairman Mills, the family business. Former St. Michael's grads, Mike Lecour, Walter Winnick and John Upper later became a part of the organization.

After Trudeau resigned Dennis joined Magna International as Vice President of Corporate Affairs. Magna is Canada's most diversified automotive parts manufacturer, and Frank Stronach, the Chairman of the Board has to be one of Canada's most exciting entrepreneurs.

Recently, Dennis was appointed Chairman of Opportunities Canada, Canada's first International Investment Conference. Dennis says that he owes a lot to St. Mike's. He further comments that one of the highlights of returning to Toronto was working with former colleagues to help the Saint Michael's Buzzers and the Henry Carr Crusaders. He offers a special thanks to Father Art Holmes who kept him on the hockey team when he didn't know what a blue line was. He speaks often of two of the greatest coaches he ever had, Jack Fenn and Mike Lavelle.

Dennis, whose favourite expressions are, 'never better', 'we can make it happen', and 'you are a great Canadian', said, "the confidence I gained through my colleagues and teachers at St. Mike's allowed me to take on the many challenges of the past years, but most important of all, the spirit of the Basilian community and the chemistry of the locker room gave me that sense of team that is critical, be it at Chairman Mills, in Ottawa, or in the boardroom. These sentiments are not mine alone. I have heard them expressed time and time again by fellow classmates and men who graduated from St. Mike's".

**CORRECTION:** The mystery grad in the November Banner was Hugh Cheetham. Pick up your prize at the Banner office.

## In Memoriam

Gordon Stinson ('45), father of Paul ('75), and a long time member of the Association died August 19, 1985. Gord was a familiar grad at the annual Turkey Roll, always ready to help and take a chance on the games. His presence will be missed.

.....

WALLY HIRST although not a graduate was a true supporter and friend to many young players who attended St. Mike's. Wally's association with the school began in the late 60's about the time his son, John ('69) graduated from the Buzzers. He shared many pleasant moments with the Dockeray's, Fullan's, Gardiner's and the Mitchell's, his travelling companions as they accompanied the Jr. "B" team to Kingston, Peterborough and throughout Metro. His greatest thrill and most cherished memory was of his trip to Holland in 1981. His close friend, Jerry Fullan recalls how happy and proud he was to wear his St. Michael's jacket.

Wally was born in Halifax, England in 1907. He worked for Eatons and played both baseball and soccer for them. He will be remembered for his time spent with the things he cherished and loved most, his wife, his family, his hockey and his school. Wally passed away at Sunnybrook Hospital on December 28, 1985. Our condolences to his wife, Kay and son John.

## Blue Raiders

### Win T.D.C.A.A.

by Coach Dan Prendergast

The Senior Blue Raiders finished another undefeated season in the T.D.C.A.A. winning 15 straight games. The Raiders defeated St. Thomas Aquinas 61-40 to capture the title.

The Raiders overall record was 31-7 including three tournament championships: the Basilian Schools Tournament, the Notre Dame High School Tournament, and the All-Ontario Catholic High Schools Tournament.

At the end of the season, the Raiders were ranked number three in Metro Toronto and number six in the Province. With three 16 year olds starting at the beginning of the seasons, the Raiders certainly surpassed early season expectations. It goes without saying that the future looks bright for the Raiders.

Five Raiders will be graduating: Moe Willoughby, John Imbrogno, Willie Capano, Peter Moravec and Bernie Fitzpatrick. Moe Willoughby led the team with 15 points per game and will probably head south on a scholarship.

The Junior Blue Raiders went through their season undefeated with a record of 15-0. In the playoffs they dropped a close one to Francis Libermann.

The Bantam Blue Raiders had a great season capping it off with a T.D.C.A.A. championship. Look for the name Carlo Esposito of Gr. 9 in future Blue Raider exploits.

# Old Boys' Golf - 10th Anniversary

## Wednesday, June 18th, 1986

This year marks the 10th Year that we have held our **Annual Golf Tournament**. This year Tom Sheedy has agreed to assist me in preparing for this event and we hope to have a lot of surprises in store for those who come out and support this day of fun in the sun.

We have once again reserved the 1st Tee at CARRYING PLACE GOLF & COUNTRY CLUB from 10:30 A.M. to 2:30 P.M. on **Wednesday, June 18th, 1986** for St. Michael's Old Boys' and their friends. Following the day of golf we will gather for dinner at 7:00 P.M. in the Dining Room. As in the past we will see to it that each player who participates will get a prize. To assist us in this aspect of the tournament we are asking that each and every participant bring a prize this year.

Now is the time for you to mark the date of **Wednesday, June 18TH, 1986** on your calender so you won't forget to join us for this year's **Golf Tournament**. Those of you who have played in this event during the past nine years know that we have always had a good time. Talk to your friends now as the snow is melting and arrange your groups. Remember, you don't have to be a great golfer to play in our tournament but you must want to have fun. We hope to see you on **June 18th, 1986**.

# Saint Michael's Hockey School

The traditional summer recreational and instructional hockey camp operates this year for six weeks beginning on July 14th. Each session lasts two weeks and the fee is \$175.00 which includes a St. Michael's hockey sweater.

The program is open to youngsters from 6-15 years of age. The half-day program of intensive drill and skill sessions is conducted by players and coaches in the St. Michael's hockey system. Children are grouped by age and ability into classes of about ten players each. Most campers claim that they learn more hockey skills and have more ice time in the summer two-week camp than they have over the course of an entire winter in many programs.

Additional information and brochures are available by calling 653-3180.

## Cross Country Summary

**Paul Barry ('73)**

In 1984 the Blue Harriers won their sixth consecutive T.D.C.A.A. Overall Title, but it appeared the dynasty might come to an abrupt end in the autumn of 1985. The St. Michael's team had defeated its main rival, Upper Canada College by a mere ten points and had managed to win only one age division title--the Senior Crown. The 1985 Blue Harriers, however, proved the experts were wrong.

The team not only swept all three age division championships, but they won the overall title defeating runner-up, Upper Canada by 200 points. The Bantam and Junior divisions were won quite handily by S.M.C., and the Senior team that had been picked to finish fourth behind Leger, Power and Carr, surprised everyone by their victory.

In the past seven years the Blue Harriers have won a total of 23 T.D.C.A.A. titles--seven Overall Championships, seven Senior championships and five in each of the Junior and Bantam divisions.

At the Provincial Championships in Brockville the Bantam Blue Harriers place four runners in the top twenty positions to win the OFSAA gold medal, 114 points ahead of the second place school. The Bantams were led by Danny Grossi who placed second in the individual standings--the best ever finished by a St. Michael's student in an OFSAA Cross Country Final. The Juniors finished the season as the province's number five team. The Seniors, led by sixth place Peter Fonseca ('86) were an impressive third. For the seventh straight year the Blue Harriers had proven that they were Ontario's best Overall Boy's Cross Country team.

### Runner-Up Notes

South of the 49th parallel Blue Harrier alumni were also running well. Freshman, ROBERT CATTANA ('85) was one of the top runners on the Princeton team. Another freshman, MIKE MCGOWAN ('85) Athlete of the Year, was a scorer on the North Carolina team that finished fifth in the N.C.A.A. Championship.

# Computer Update

Your Old Boys' Association is continually trying to update their computer files in an effort to be better able to communicate with those who have passed through the halls of St. Michael's College School, either downtown on St. Joseph's Street prior to 1950 or at Bathurst Street after 1950.

A major task in maintaining contact with former students is locating where they have moved to when they left St. Mike's and eventually left home. Many of our **Blue Banners** are still being sent to your parents' homes. If your copy is reaching you in this manner then why not drop us a line and give us your correct address.

We feel that one way we can make sure our class lists are accurate and up to date is through the assistance of TEAM CAPTAINS and their assistants for each of the graduating classes we have in our files. We presently have class lists from 1921 to 1985 in our computer files. What we need is volunteers to act as TEAM CAPTAINS who would secure three or four assistants to divide up their class lists and each one contact 10 to 15 names to help promote the various OLD BOYS' events and to help us update our records. If you would like to volunteer your services and help your OLD BOYS' ASSOCIATION then give Joe Younder a call at the School (653-3180).

You can help us individually by filling out the following form and returning it to the School.

## Basketball Alumni

Interested in playing some pickup ball? Do you ever get the urge to play some hoops again? There are some former Blue Raider players who are interested in playing some pickup ball once a week or maybe once every two weeks. They are looking for former players who would like to join them. If you are interested in this idea please call Greg Hook at home at 654-5886 or Dominic Deluca at home at 743-5331. If you can't get them, just leave your name with Coach Prendergast at the school at 653-3180.
